Re: Nemeth v. Global Apparel Network US, Inc., et al., 15 Civ. 5051 (JPO)

Dear Judge Oetken:

We represent plaintiff in this action.

We write *jointly* with counsel for all defendants to advise the Court that (a) the parties have resolved this action upon the terms set forth in the enclosed Settlement and Forbearance Agreement (the "Settlement Agreement"), and (b) pursuant to the Settlement Agreement, defendants consent to entry of the enclosed proposed Judgment, which the parties request that Court order at its earliest convenience.

We appreciate the Court's continued attention to this matter.

Respectfully submitted,

/s/ *Peter M. Sartorius*
